

EQUILIBRIA SCHOOL OF LIFE

ALTERNATIVE ACCOMMODATION

Limited rooms are available in Equilibria’s student houses and we therefore include a list with alternative accommodation options and contact numbers of agents below. All the flats and houses on the list are **within close proximity of Equilibria**.

Equilibria is situated in the heart of the student environment next to the North West University and student accommodation abounds. However, well kept and affordable accommodation, within walking distance from Equilibria is very popular. These places fill up quickly from September onwards and students are advised to book accommodation (or place your name on a waiting list) **as soon as possible**.

Please do not hesitate to contact us if you have any difficulty to find suitable lodging for the year. We will gladly try to assist you to find comfortable accommodation for the year.
